

God wasn't Kidding!

...when He said in 2 Cor 9:8 (Amplified), “*And God is able to make all grace (every favor and earthly blessing) come to you in abundance, so that you may always and under all circumstances and whatever the need be self-sufficient [possessing enough to require no aid or support and furnished in abundance for every good work and charitable donation].*”

This “good charitable work” called Noble Maritime Ministries/Harmsworth family is surely experiencing favor and earthly blessing! And thank you, partners, for being a manifestation of God’s grace to us.

Right now I am sitting in this million dollar home-base, miraculously arranged by God, a place where God’s people are beginning to come for prayer ministry, hospitality ministry and the next Pastoral Care Seminar Nov. 8-10!

As I write this letter I’m watching one daughter (Julie) sail across Skagit Bay and, as if that wasn’t enough, get a load of this new blessing and favor: We were praying for a place to keep Betsy’s horse so she didn’t have to drive so far and we now have the use of 8.5 acres with a barn and pond for \$1/year, only a short bike-ride away!! A friend connected us with a 79 yr old retired Navy commander who lives far away but owns this land on Whidbey Island. He refuses to sell his land to eager developers because he believes the Lord wants it used as a ministry for “kids and critters”! Mr. Story, the land owner, thinks Betsy is the one to launch his vision and is willing to finance the needed renovations and development of what I call the ‘Story Farm’! Isn’t God amazing?! He is stretching Betsy’s faith along with all of us!

My next faith challenge is a rediscovered boat named **Pelican**. I'm tempted to call it perfect. This 70' steel vessel, homeported in Anacortes and for sale for about three years, would certainly do an excellent job for our leadership boat retreats. The owner, Bill Davisson of Nevada (please pray blessing on him) no longer needs this boat as he has had a new one built. Bill and I are having candid talks about our ministry using/having this vessel. So far my offers to use, lease or have him mostly donate it haven't been acceptable to him but he is hanging in there with me, which is amazing, considering he knows we haven't any money and he is asking almost 2M for the boat and dock! For details see www.mvpelican.com MV Pelican is a 'go-anywhere' commercial strength vessel with modest yacht interior. (see picture on right)

It is fascinating to me to remember that back in Jan.'06 I was hastily searching the internet for a boat picture to add to that month's newsletter and came across this cool looking boat, so I used the picture. Then, a month ago I happened to spot the same vessel in Anacortes, only to discover it lives here and is still for sale! Wow – coincidence?! Over the phone, Bill has given me access to tour the boat and it is in amazingly good shape. Ready to go!

Mr. Davisson has offered to come up and take ten of us for a half-day sea trial cruise Oct. 6th if we have a purchase agreement before then. If you want to join us let me know. The tickets are \$200,000 per person! Just kidding! Please pray with us, "Lord what do You want to do here and how can we cooperate with You?"

Thanks and blessings,

Neil, Kathy and crew
